

U.S. Department of Defense

AGENCY FINANCIAL REPORT

FISCAL YEAR 2025

U.S. Department of Defense

ABOUT THE DEPARTMENT OF DEFENSE AGENCY FINANCIAL REPORT

This Fiscal Year (FY) 2025 Agency Financial Report (AFR) refers to the Department of Defense (DoD) in accordance with statutory requirements. While mindful of the recent [Executive Order 14347](#) and ongoing legal determinations regarding the Department's name, this report utilizes the designation "Department of Defense" because the AFR is a statutorily mandated report, all relevant legislation designates the Department as the "Department of Defense," and the funding for programs discussed herein were issued to the Department of Defense. We may use the "Department of War" designation in other, non-statutory communications, as allowed by the Executive Order.

The estimated cost of the AFR for the Department is \$529,925 in Fiscal Year 2025. This includes \$203,999 in expenses and \$325,926 in labor. The estimated cost of the AFR was generated on September 16, 2025.

U.S. Army Paratroopers from 2nd Brigade Combat Team, 82nd Airborne Division, conduct their final assessment on live-fire week, which includes the firing of live rounds and explosives while moving as a unit during Joint Readiness Training Center Rotation 25-05 on Fort Polk, Louisiana, March 23, 2025.
